## Pre-School Programs & Tuition

Pre-school is a three-year program, the final year of which is Kindergarten. Academic year is starting in fall and ending in spring. Parents may opt to continue their children’s enrollment during our summer months. The Montessori curriculum extends throughout each program. Certified teachers are available to the children all day, from the time we open until the time we close.

Tuition is paid in monthly installments. The first installment and a non-refundable yearly registration fee (\$200 for new parent and \$100 for returning parent) are due at the time of enrollment. Tuition payments are due the first business day of the month. We offer a 3% discount if you pay the full year’s tuition before school begins (academic year enrollments only). Siblings of children currently enrolled automatically receive a 15% tuition discount.
